INDEX TO VOLUME LX

Adenitis, mesenteric, A puzzling case of obstipation apparently due to..... 40
Albright, Fuller, Truman G. Drake and Hirsh W. Sulkowitch: Renal osteitis fibrosa cystica: Report of a case with discussion of metabolic aspects..... 377
Anaphylactic shock, On the prolonged coagulation time subsequent to..... 428

Bard, Philip, and David McK. Rioch: A study of 4 cats deprived of neocortex and additional portions of the forebrain..... 73
Bliss, Eleanor A., and Perrin H. Long: The activation of "prontosil solution" *in vitro* by reduction with cysteine hydrochloride..... 149
Book Reviews.....56, 154, 215, 307, 374, 439
Breast, carcinoma of the, The use of a muscle pedicle flap for prevention of swelling of the arm following the radical operation for, Preliminary report..... 369
Bronchus, main, A new operative technique for closure of the, Preliminary report... 372

Clason, Freeman P., Francis F. Schwentker, William A. Morgan, Janvier W. Lindsay and Perrin H. Long: The use of para-amino-benzine-sulphonamide or its derivatives in the treatment of beta haemolytic streptococcal meningitis..... 297

Drake, Truman G., Fuller Albright and Hirsh Sulkowitch: Renal osteitis fibrosa cystica: Report of a case with discussion of metabolic aspects..... 377

Eagle, Harry, C. G. Johnston and I. S. Ravdin: On the prolonged caogulation time subsequent to anaphylactic shock..... 428
Emerson, Kendall, Jr.: On the specificity of the thyreotropic action of the anterior pituitary gland..... 358

Felton, Lloyd D., and Frank B. Wakeman: Essential immunizing antigen of the typhoid bacillus..... 178
Ford, Frank R., and Harriet Guild: Precocious puberty following measles encephalomyelitis and epidemic encephalitis, with a discussion of the relation of intracranial tumors and inflammatory processes to the syndrome of macrogenitosomia praecox..... 192
Furstenberg, Frank F., and Leslie N. Gay: The occurrence of constitutional reactions in the treatment of hay-fever and asthma: Analysis of the causative factors... 412

Gantt, W. Horsley, S. Katzenelbogen and R. B. Loucks: An attempt to condition hyperglycemia to adrenalin..... 400
Gay, Leslie N., and Frank F. Furstenberg: The occurrence of constitutional reactions in the treatment of hay-fever and asthma: Analysis of the causative factors... 412
Guild, Harriet, and Frank R. Ford: Precocious puberty following measles encephalomyelitis and epidemic encephalitis, with a discussion of the relation of intracranial tumors and inflammatory processes to the syndrome of macrogenitosomia praecox..... 192

Hay-fever and asthma, The occurrence of constitutional reactions in the treatment of, Analysis of the causative factors..... 412
Hesser, Frederick H., and Orthello R. Langworthy: Reflex vesical contraction in the cat after transection of the spinal cord in the lower lumbar region..... 204
Hines, Marion: The "motor" cortex..... 313
Hyperglycemia to adrenalin, An attempt to condition..... 400

Johnston, C. G., Harry Eagle and I. S. Ravdin: On the prolonged coagulation time subsequent to anaphylactic shock..... 428

Katzenelbogen, S., W. Horsley Gantt and R. B. Loucks: An attempt to condition hyperglycemia to adrenalin..... 400
Kellaway, Charles H.: Snake venoms. I. Their constitution and therapeutic applications. II. Their peripheral action. III. Immunity..... 1, 18, 159
Kemp, Jarold E., and Paul D. Rosahn: Experimental study of congenital syphilis, including a study of the infectiousness of blood, uterus and placenta of pregnant rabbits with early syphilis..... 45

Langworthy, Orthello R., and Frederick H. Hesser: Reflex vesical contraction in the cat after transection of the spinal cord in the lower lumbar region..... 204
Langworthy, Orthello R.: A curious illustration of "mass reflex" and involuntary micturition following injury of the spinal cord..... 337
Lindsay, Janvier W., Francis F. Schwentker, Freeman P. Clason, William A. Morgan and Perrin H. Long: The use of para-amino-benzine-sulphonamide or its derivatives in the treatment of beta haemolytic streptococcal meningitis..... 297
Long, Perrin H., and Eleanor A. Bliss: The activation of "prontosil solution" *in vitro* by reduction with cysteine hydrochloride..... 149
Long, Perrin H., Francis F. Schwentker, Freeman P. Clason, William A. Morgan, Janvier W. Lindsay: The use of para-amino-benzine-sulphonamide or its derivatives in the treatment of beta haemolytic streptococcal meningitis..... 297
Longcope, Warfield T., and J. William Pierson: Boeck's sarcoid (sarcoidosis)..... 223
Loucks, R. B., W. Horsley Gantt and S. Katzenelbogen: An attempt to condition hyperglycemia to adrenalin..... 400

Macrogenitosomia praecox, Precocious puberty following measles encephalomyelitis and epidemic encephalitis, with a discussion of the relation of intracranial tumors and inflammatory processes to the syndrome of..... 192
Mass reflex and involuntary micturition following injury of the spinal cord, A curious illustration of..... 337
Meningitis, streptococcal, The use of para-amino-benzine-sulphonamide or its derivatimes in the treatment of beta haemolytic..... 297
Morgan, William A., Francis F. Schwentker, Freeman P. Clason, Janvier W. Lindsay and Perrin H. Long: The use of para-amino-benzine-sulphonamide or its derivatives in the treatment of beta haemolytic streptococcal meningitis..... 297
Motor cortex, The..... 313

Neocortex and additional portions of the forebrain, A study of four cats deprived of..... 73

Nicholson, William M., and Abraham J. Schechter: Cardiac arrhythmia after bilateral ureteral ligation in the dog..... 346

Osteitis fibrosa cystica, Renal: Report of a case with discussion of metabolic aspects..... 377

Pierson, J. William, and Warfield T. Longcope: Boeck's sarcoid (sarcoidosis)..... 223
"Prontosil solution," Activation of, *in vitro* by reduction with cysteine hydrochloride. 149

Ravdin, I. S., Harry Eagle and C. G. Johnston: On the prolonged coagulation time subsequent to anaphylactic shock..... 428
Rienhoff, William Francis, Jr.: The use of a muscle pedicle flap for prevention of swelling of the arm following the radical operation for carcinoma of the breast. Preliminary report..... 369
Rienhoff, William F., Jr.: A new operative technique for closure of the main bronchus. Preliminary report..... 372
Rioch, David McK., and Philip Bard: A study of four cats deprived of neocortex and additional portions of the forebrain..... 73
Rosahn, Paul D., and Jarold E. Kemp: Experimental study of congenital syphilis, including a study of the infectiousness of blood, uterus and placenta, of pregnant rabbits with early syphilis..... 45

Sarcoid (sarcoidosis), Boeck's..... 223
Schechter, Abraham, and William M. Nicholson: Cardiac arrhythmia after bilateral ureteral ligation in the dog..... 346
Schwentker, Francis F., Freeman P. Clason, William A. Morgan, Janvier W. Lindsay and Perrin H. Long: The use of para-amino-benzine-sulphonamide or its derivatives in the treatment of beta haemolytic streptococcal meningitis..... 297
Snake venoms. I. Their constitution and therapeutic applications. II. Their peripheral action. III. Immunity..... 1, 18, 159
Sulkowitch, Hirsh W., Fuller Albright and Truman G. Drake: Renal osteitis fibrosa cystica: Report of a case with discussion of metabolic aspects..... 377
Syphilis, congenital, Experimental study of, including a study of the infectiousness of blood, uterus and placenta, of pregnant rabbits with early syphilis..... 45

Thyreotropic action of the anterior pituitary gland, On the specificity of the..... 358
Trimble, I. Ridgeway: A puzzling case of obstipation apparently due to mesenteric adenitis..... 40
Typhoid bacillus, Essential immunizing antigen of the..... 178

Ureteral ligation, bilateral, in the dog, Cardiac arrhythmia after..... 346

Vesical contraction, Reflex, in the cat after transection of the spinal cord in the lower lumbar region..... 204

Wakeman, Frank B., and Lloyd D. Felton: Essential immunizing antigen of the typhoid bacillus..... 178
